

The Mulkey Block Party will be held Saturday, May 23, 2015. "Insufficient Funds" of Amarillo will set the mood for the evening, playing music from 7 to 10 p.m. and plans are being made for several fun activities to be held during the evening. Kids' activities will be set up by 5 p.m. and local food booths will be available for \$50 per space.

A classic car show and motorcycle show are also in the works, and folks will be encouraged to bring their lawn chairs to sit and enjoy the music and the celebration.

Watch the Enterprise for more information in the coming weeks.
