Summer Celebration to be held July 22

The 2010 Summer Celebration will be held July 22 on the Donley County Courthouse Square, and now is the time to reserve booth space for activities on that date.

The event will be held from 4:00 p.m. to 1:00 a.m. with booths and activities from 4:00 p.m. to 11:00 p.m. and a special movie showing at the Sandell Drive-In from 11:00 p.m. to 1:00 a.m.

Channel 10 will be broadcasting live from Clarendon at 5:00, 6:00 and 10:00 p.m. Amarillo Star will be holding auditions. Local musicians will entertain. This event will have something for all ages from Busy Town Mystery games, stick horse rodeo, dunking booth, bounce houses, washer and horseshoe tournament, antique car show and Farmers Market to BBQ sandwiches, sausage wraps, ice cream and homemade sweets.

The tourism committee is working to make this a fun event for all ages. Contact Terry Askew at 874-5001 or Denise Bertrand at 874-2846 to schedule activities or reserve booth space.

Organizers say this event will showcase Clarendon as a progressive community based in its heritage of agriculture, education, religion and the arts.

State plans to hold three shot clinics

Texas Department of State Health Services will hold three immunization clinics this month at the TDSHS office in Clarendon at Five Medical Drive.

Please bring a copy of your child's shot record for immunizations to be administered. All clinic times are subject to change or cancellation due to weather conditions or scheduling conflicts.

Clinics will be held July 8, 15, and 22 from 9:30 to 11:30 a.m. and from 1 to 3 p.m. Clinics are limited to the first ten clients in both the morning and afternoon.

July highest month for car burglaries

DALLAS — Every seven minutes, a car is stolen in Texas, and every two minutes, a vehicle is burglarized for contents or parts.

Historically, July is the month when the most vehicle thefts and burglaries occur in Texas.

The Texas Auto Burglary and Theft Prevention Authority (ABTPA) will highlight this philosophy throughout the 2010 "Watch Your Car Month," which is being recognized in July.

In 2009, approximately 76,617 vehicles were stolen and 272,791 vehicles were burglarized in Texas resulting in combined financial losses of \$985 million. And in over one-third of all auto theft incidents, keys were left inside, which means the vehicle owner was an unwitting accomplice in the theft and, in some cases, an accomplice in additional crimes.

Wreck sends two to hospital

Two people remain hospitalized as the ENTERPRISE went to press this week following a two-vehicle collision near Howardwick Monday.

Ricardo Grajedo of Pampa was traveling north on SH 70 in a 2001 Chevy Tahoe at 5:41 p.m. when he veered to the left and struck a 2008 Dodge pickup driven by Rubin Cantu, Jr., of Hobbs, NM, who was in the turning lane preparing to turn left onto Rick Husband Blvd. Department of Public Safety Trooper Chad Simpson said.

The Dodge was struck in the right rear corner and came to rest in the west ditch of SH 70 pointing southeast. The Tahoe came to rest in

the middle of SH 70 pointing southwest.

Grajeda, age 36, was transported by LifeStar to University Medical Center in Lubbock, where he was listed in stable condition Tuesday afternoon.

Eight-year-old Angelica Cantu, who was in the Dodge pickup, was also taken to UMC by LifeStar and was listed in critical condition.

Rubin Cantu, 30; Star Cantu, 28; Amber Cantu, 9; and Ashley Cantu, 5, were all transported by ambulance to Northwest Texas Hospital in Amarillo, where they were treated and released.

Simpson said that the Cantu

family members were all wearing seatbelts and that Grajeda was not properly restrained. He also said that alcohol does appear to be a contributing factor to the accident, but charges are pending while the investigation continues.

Following the accident, a third motorist pulled up at the scene, was found to be intoxicated, and was arrested for DWI, Simpson said.

Responding to this accident were Associated Ambulance Authority, Clarendon Volunteer Fire Department, Donley County Sheriff's Office, the Texas Department of Transportation, Game Wardens, and Texas DPS.

Rain dampens celebration

Although rain soaked this year's 133rd annual Saints' Roost Celebration, a large crowd still gathered at the Courthouse Square on Saturday, July 3, to continue the tradition.

The celebration started off with the annual Craft Fair on the square. The Al Morrah Shrine Club served 597 plates of barbecue this year, which is down from 812 last year. Funds from the annual barbecue are used in conjunction with the Khiva Temple of the Shrine in Amarillo to help pay for the transportation of kids to the Shriners' burns and crippled children's hospitals.

The Old Settlers Reunion was cancelled this year due to the weather.

The Kids' Parade was held in the rain; and winners were Kennadie and Tandie Cummins with first place and Kyndall Shields with second in the 0-4 Division,

Alexia Ralston with first place and Jordan Johnson with second in the 5-8 Division, and Kaylee Campbell with first place and Taylor Patterson with second in the 9-12 Division.

Winners of the Motorized Kids' Parade were Kasen and Kinslee Hatley with first place followed by Ben and Ella Estlack with second place.

In the Western Parade, the Chamber of Commerce reports that Greenbelt Electric Coop., Inc., won first place in the float division, and the Clarendon High School Cheerleaders placed second. In the Riding division, Jim "Slim" Stevens and son Cedar Stevens won first place.

In the Antique Vehicles division of the parade, the Clarendon Volunteer Fire Department won first with a 1927 Seagraves Fire Truck, and Redell Johnston placed second with a 1966 Ford Mustang.

The Colt Cheerleaders won first place in the Miscellaneous division.

Several organizations took advantage of this occasion to hold fundraisers, and the results are as follows. The winners of the Lions Club Cow Patty Bingo were Chardy and Izzy Craft; \$50 and Kevin Buck; \$50. The Clarendon Firebelle's Penny Raffle winners were Anna Howard; \$50, Linda Lincoln; \$50, and Cherry Massingill; \$100. Machiel Covey was the winner of the \$500 worth of gas from the Clarendon Outpost.

Kenny Black won the John Deere riding lawn mower given by the Friends of Donley County Activity Center that supported Donley County 4-H. Debbie Thompson was the winner of the St. Mary's Catholic Women Quilt Drawing. Lee Ann Cook won the BBQ grill given by the Clarendon FFA Scholarship Fund.

Hedley city employees all resign

Hedley citizens crowded into City Hall there Monday night for a called meeting of the Board of Aldermen after all three city employees turned in their resignations last week.

Alderman Tonya Metcalf told the ENTERPRISE Tuesday that City Secretary Randy Shaw announced his resignation during the regular board meeting July 1 and that Shaw's wife, City Clerk Rhonda; and city maintenance worker Roger Hagar also resigned.

The resignations take effect at the end of this month, Metcalf said. She hoped Shaw would reconsider his decision.

"City Secretary sounds like someone who sits in a chair all day," Metcalf said. "Randy does not sit in a chair."

Metcalf said Shaw writes grants for the city, picks up the trash, holds two state licenses to operate the water and sewer system, maintains the roads, cares for the fire station and the cemetery, and does even more than that.

"You can't find someone to do all he does," she said. "If a waterline breaks in the middle of winter, he's the one with a shovel fixing it."

More 20 residents turned out in a show of support for Shaw and his wife at Monday's meeting. Mayor Dusty Wilkinson opened the meeting with comments from the audience. Both men and women voiced their sincere appreciation for Mr. and Mrs. Shaw's outstanding job performances for nearly 19 years and asked Mr. Shaw and his wife to reconsider their resignations.

Mayor Wilkinson asked Mr. Shaw what it would take to get him to continue in his position, but Shaw told the ENTERPRISE Tuesday that his mind was made up.

"I'm resigning to look for other employment," Shaw said. "According to the last election, the people of Hedley are looking for change, and this seems like the right time for me to make a transition."

Shaw said he appreciated the comments that were made Monday night but also said he had determined that it is "just time to make a change."

"I'm not giving up on Hedley," Shaw said. "I've told them I will stay on until August 1 full time and that I can stay on part time after that to help train my replacement."

Metcalf said the city will take applications through July 15 for all three positions and said another board meeting is scheduled for July 16 to review the applications.

Amarillo teen becomes 23rd person to drown at Greenbelt

A young man from Amarillo lost his life while swimming at Lake Greenbelt Sunday afternoon.

Donley County Sheriff Butch Blackburn said 17-year-old Justin Angel Salazar had been at the lake with his girlfriend, her brother, and another friend since last Friday and was north of Sandy Beach when the accident occurred.

"He was swimming in that area and couldn't make it back (to shore)," the sheriff said. "One of his friends tried to help him, but he was fighting too hard, which drowning people often do."

The 911 call came in at 12:39 p.m., and the Clarendon Volunteer Fire Department Dive Team was

dispatched along with the sheriff's office, Associated Ambulance Authority, Game Wardens, and Greenbelt Lake Patrol.

The Dive Team recovered Salazar's body at 1:47 p.m. in water 11 to 12 feet deep and 25 feet from shore. Justice of the Peace Ann Kennedy pronounced the young man dead at 2:08 p.m. An autopsy was scheduled in Lubbock at press time Tuesday.

Salazar becomes the 23rd person to drown at Lake Greenbelt since it opened in 1968 and is the 14th person to be recovered by the Dive Team since it organized in 1998.

To date no one has drowned while wearing a lifejacket.

Members of the Clarendon Volunteer Fire Department Dive Team prepare to search for the body of a young man who drowned at Lake Greenbelt Sunday afternoon.

Rep. Thornberry Gold Star Parents bill unanimously passes house

WASHINGTON, D.C. – A bill sponsored by U.S. Congressman Mac Thornberry (R-Clarendon) to expand access to State Veterans' Homes to parents whose son or daughter died while serving in the Armed Forces passed the U.S. House of Representatives today.

"Any time you can put a little common sense into a law, it is a good thing. This bill does that by getting rid of the federal red tape that prevents certain Gold Star parents from being admitted to State Veterans homes where there is available capacity to care for them," said Congressman Thornberry.

Known as "Gold Star parents," these men and women currently may receive care in veterans' homes only if they have lost all of their children in service to the country. Thornberry's bill would change these federal regulations to allow admission to

any parent who has lost at least one child serving in the military. The Senate version of this bill, S. 1450, is sponsored by Senators John Ensign (R-NV) and Sherrod Brown (D-OH).

"I am pleased to cosponsor this bill with Rep. Thornberry and I thank him for his leadership in addressing this situation. We all know that military service is not limited to an individual service member but extends to their family as well," said Rep. Vic Snyder.

"Any parent who has lost a son or daughter to service in our military has contributed to that ultimate sacrifice. I believe that through the care provided by this bill, we acknowledge the sacrifice of the parent and offer the gratitude of a grateful nation," he continued.

The bill will be sent to the Senate where debate and passage could take place at any time.

Advanced Prostate Cancer Drug Approved

A few weeks ago, the FDA approved a new drug for the treatment of prostate cancer that does not respond to other treatments. The drug is called Jevtana (cabazitaxel). It was approved to be given along with prednisone for the treatment of metastatic prostate cancer that does not respond to standard prostate cancer treatment called testosterone deprivation. Results from this trial indicate that while Jevtana did not cause complete remission from the cancer, it prolonged life in men with advanced prostate cancer by an average of 10 weeks over standard treatment. Treatment with Jevtana is administered every three weeks as a one hour intravenous infusion in combination with prednisone taken orally every day throughout the treatment period. Monitoring for drug side effects is recommended.

Prostate cancer is the second most common cancer among men residing in the United States. The American Cancer Society indicates that an estimated 192,280 new cases of this type of cancer were reported in the United States in 2009. According to the society, over 27,000 deaths occurred that same year in men with this type of cancer.

Rain changes plans during July 4th weekend

Well, the Fourth of July with all the celebrations is over, and what a weekend that was!

My house was full with all four children, in-laws, grandchildren, great-grandchildren, cousins, and friends enjoying a cook-out Thursday night with the rain holding off while we ate. We found beds for all 14 that were left, and then the rains began Friday morning.

The crowd at our house included four boys, ages 4, 6, 7, and 10; and by the end of the day, tempers were beginning to flare while we watched those bicycles everyone

worked so hard to obtain set out in the rain.

The turtle race was held; but since we had not found any turtles, we were not among those brave people that stood in the rain to watch. We had a brief time with no rain Saturday morning, so the bikes got a good workout that time, but it rained more, and more, and more. The boys did make good use of the Bouncing Castle that also worked as a water slide, so some energy was released on the Courthouse lawn.

Me, I thought it was a good idea to stay home, so for the first

time in many years and the first time in memory due to rain, I didn't participate in July 4th activities.

The rain finally stopped Sunday and those bikes were burnin' rubber with only one big crash and burn that resulted in a couple of skinned knees. Note to self: Plan more rainy day activities even in July

because now I know it *can* happen.

Our grandson-in-law, Sgt. Scott Jahay of the Kansas National Guard, is leaving July 6 for a year's duty in Iraq. He is the husband of Sasha and the dad of the three boys we got the bikes for: Erik, Luke, and Jake. He is a helicopter mechanic and will be keeping those Blackhawk's going. So please put him and his family on your prayer list.

We had another tragic drowning at Greenbelt Lake this weekend. The family of this 17-year-old young man from Amarillo needs our prayers also.

Remember patriotism all year long, not just July 4

Sorry I did not get this in the paper before the Fourth of July Holiday, but patriotism is every day. Right? 234 years ago, on July 4th, 1776, This great nation, the United States of America, in a struggle for what was right and free, was proudly born. May we celebrate that precious freedom for which our forbears fought so bravely. The freedom that is inherent in the Stars and Stripes, our revered flag.

The following are some patriotic quotes and take them into your heart!

"If you are ashamed to stand by your colors, you had better seek another flag."- Author Unknown (but very true).

"Four score and seven years ago our fathers brought forth on this continent a new nation, conceived in liberty, and dedicated to the proposition that all men are created equal."- Abraham Lincoln.

"Patriotism is not short, frenzied outbursts of emotion, but the tranquil and steady dedication of a lifetime."- Adlai Stevenson

"I shall know but one country. The ends I aim at shall be my country's, My God's and Truth's. I was born an American; I live as American; I shall die an American."- Daniel Webster.

"Sure I wave the American flag. Do you know a better flag to wave? Sure I love my country with all her faults. I'm not ashamed of that, never have been, never will be."- John Wayne.

"I only regret that I have but one

Foreign exchange students seek homes

American Cultural Exchange Service, a non-profit educational exchange organization designated by the U.S. Department of State to administer the high school exchange program is currently seeking volunteer families to host students. Imagine the excitement of introducing your family to a new friend who can speak another language and can share his or her culture and experiences with you. Hosting is a wonderful way to explore the world without leaving home.

Students who come from all over the world have the desire to become an active member of your family and community. Students, who will arrive shortly before school starts, are carefully screened, speak English, are covered by medical insurance and have their own spending money. Library planning weekly story, craft times

Burton Memorial Library extends congratulations to Publisher Roger Estlack and his entire staff at THE CLARENDON ENTERPRISE as they continue to receive awards from Texas Press Association each year.

Two weeks ago, after competing with 23 other weekly newspapers during the 2009 "Texas Best Newspaper Contest," the ENTERPRISE's new website, column writing, editorials, and the "overall best paper in its division" were importantly recognized. Our county continues to be proud of the ENTERPRISE's success in consistently and accurately informing the public.

Thanks for sharing your talents

in producing one of the finest weekly newspapers in our state.

Thanks to those who contributed to the success of Summer Reading Club meetings at Burton Memorial Library. Special thanks to Brenda Gillespie and Mary Ruth Bishop who provided entertaining programs, stories, and puppet shows for your children. Burton Memorial Library is now planning weekly stories and crafts each Wednesday morning from 10:00 - 11:30 during the remainder of summer. Sounds like more fun. Isn't that great? I hope your children will win some of the prizes which are planned for those who read the most books this

summer. There is certainly opportunity.

Each time I browse through our outstanding Youth Section, I realize how fortunate our Donley County children are to have access to a large variety of mysteries, fiction, biographies and other non-fiction, picture books for the little ones, and reference books geared especially for juvenile needs. Happy Birthday!

Can you guess this woman who we think is just divine?

Clarendon Church of Christ TRUE FREEDOM

What a wonderful country we live in! We live in a country that allows us to speak freely and worship freely. We can own land and choose our leaders. As citizens of this country we have more wealth than most anywhere in the world. We have had and still have the greatest military in the world that makes sure no other country can take away our way of life. For the most part, we sleep at night with no worries of bombs or other attacks from outside our country.

There are many more freedoms we could discuss but there is no freedom like being free from sin. A verse that all God-fearing people find comfort in is: (John 3:16) "For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish but have everlasting life." Everlasting life equals freedom from eternal damnation. Like our fallen military heroes died for our physical freedom, Jesus died for the world's freedom, past and present and into the future.

(Romans 6:22) "But now having been set free from sin, and having become slaves of God, you have your fruit to holiness, and the end, everlasting life." Paul is telling these Christians that they are no longer slaves to Satan, but have a new Master. Obtaining their new Master, they also now have the greatest benefit package ever. With God as the Father, Christians become heirs to a kingdom beyond imagination.

I pray that all who read this article this week will take stock of their spiritual situation. Are you free from sin? Are you tired of working for the wrong side and long to be free from sin and want a clear conscience? I pray God will give you the courage to make the change. If we can help, please give us a call. May God bless you and God bless America.

District court hands down several sentences

Two pleas resulting in one deferred adjudication and one conviction occurred Monday, June 28, 2010, when the 100th Judicial District Court met in Clarendon.

Cody Allen Bowers was placed on probation for a period of three years for the third degree felony offense of injury to a child. Bowers pleaded guilty and was placed on deferred adjudication for the offense.

Bowers was arrested in Donley County for the offense that took place on April 22, 2010, and pleaded guilty to a complaint and information filed by the State on June 25, 2010.

Pursuant to the plea agreement, Bowers is required to pay a \$1,500 fine to Donley County and is also required to pay \$473 in court costs. If Bowers violates probation, he could face up to ten years in the

Institutional Division of the Texas Department of Criminal Justice.

Bruce Monroe Suit was placed on probation for a period of three years for the third degree felony offense of driving while intoxicated, 3rd or more.

Suit was convicted and sentenced to ten years in the Institutional Division of the Texas Department of Criminal Justice, but the sentence was probated for a period of three years.

Suit was arrested in Carson County for the offense that took place on May 9, 2010. Suit pleaded guilty to a complaint and information filed by the State on June 24, 2010.

Pursuant to the plea agreement, Suit is required to pay a \$3,000 fine to Carson County, \$455 in court costs, \$140 restitution, and must

comply with all the requirements of conviction under Texas Penal Code 49.04, which includes county jail time, a driver's license suspension, drug and alcohol rehabilitation and other alcohol related conditions.

District Attorney Luke Inman, assisted by Assistant Greg Buckley, prosecuted the cases for the State of Texas with the Honorable Judge Stuart Messer presiding.

A total of \$4,500 in fines was assessed as a result of the pleas that took place on June 28. In addition to the fines, the defendants were required to pay a total of \$928 in court costs and \$140 in restitution.

The court met in Childress on Thursday, June 24, and heard one plea, which resulted in the conviction of Melissa Ray Merrell.

Melisa Ray Merrell pleaded true to allegations listed in the

State's Motion to Adjudicate Guilt of Defendant and was convicted and sentenced to 24 months in the State Jail Division of the Texas Department of Criminal Justice.

On May 4, 2009, Merrell originally pleaded guilty to the state jail felony offense of forgery that occurred on December 3, 2008 in Childress County.

The State filed the motion to adjudicate on June 24, 2010, alleging one violation of community supervision.

Merrell pleaded true to the violation contained in the State's motion and was sentenced to 24 months in the TDCJ, with the Court retaining jurisdiction over Merrell's case for at least 75 days. Merrell is also required to pay a \$2,200 fine, \$300 restitution, and \$376 in court costs to Childress County.

Kidd's service station sells after half century of service

After more than 50 years, a Clarendon family's history in the service station business has come to an end.

Kidd's Shell and Clarendon Auto Supply announced last week the sale of the combined businesses to Billy Chadwick and Greg Wooten, who will now operate the location at US 287 and Jefferson as WootWick's Pit Stop.

The Kidd family has been associated with local service stations since the late Bob Kidd started at that location with Dude Cornell in the mid-1950s as a Texaco dealer. In 1961, he moved one door west into the Phillips 66 station and was joined in the business by his son, Doug, in 1976.

"Dad drilled one thing into my brother and me," Doug says. "You did whatever it took to please a customer no matter what they asked or how they asked it."

The Kidds moved back to the current location and became partners in the Texaco station there in 1980, and Doug says he set one goal at that time.

"I wanted to be the best at what we were doing, and I was going to do it with long hours, honest prices, and quality work."

Bob retired from the business in 1991, and Doug's wife Nancy

joined him at the service station for a couple of years.

In 2000, Doug became partners with Paul Bivens. Together they expanded the business and took in Clarendon Auto Supply, which had been operated on Kearney Street by Bud Day since 1973. Along with Texaco gas, the business carried Carquest auto parts. The station became a Shell dealer in 2004 and switched to being a Napa auto parts dealer 2005.

Three generations of the Kidd family worked at the business – first Bob and Doug and later Doug's kids – Aaron, Ashlee, and Anndria – who worked there during summers and often after school and on weekends.

Doug says he is probably going to miss the business that he spent most of his life around.

"It's been a part of my life for 52 years."

He says he appreciates the support his customers have given him over the years, and he wishes the new owners the best of luck as they begin their new business venture.

WootWick's are offering service from 7 a.m. to 7 p.m. seven days a week; and in addition to Napa auto parts and Shell gas, they sell tires, work on brakes, change oil, fix flats, and perform other light mechanic work.

Beef quality training program to be offered next month in Vernon

VERNON – Beef producers are invited to attend a training session on Aug. 24 for the Texas Beef Quality Producer program to sharpen their knowledge of Beef Quality Assurance principles, according to a Texas AgriLife Extension Service specialist.

Registration begins at 9:30 a.m., with the program running from 10 a.m. to 4 p.m. at the Wilbarger County Auditorium, 2100 Yam-parka Street, in Vernon.

A complimentary lunch sponsored by Texas Beef Council will be

served.

"Beef Quality Assurance is a national effort in the beef industry that focuses proven management practices that help ensure safety and quality of beef," said Dr. Ted McCollum, AgriLife Extension beef cattle specialist in Amarillo.

"The Texas Beef Quality Producer program is the program developed for cow-calf and stocker producers in Texas," McCollum said.

In addition to focusing on the safety of beef products, the program informs producers on current indus-

try concerns and how producers can help with increasing demand for cattle and beef, he said.

The intensive half-day training will cover Beef Quality Assurance principles, industry updates, record keeping, environmental stewardship, management practices associated with genetic selection, cattle handling, culling and use of animal health products, said Langdon Reagan, AgriLife Extension agriculture agent for Wilbarger County.

Participants should RSVP by Aug. 16 to Stacy Fox at Texas and

Southwestern Cattle Raisers Association at 800-242-7820 or sfox@texascattleraisers.org, or by contacting the AgriLife Extension office in Wilbarger County at 940-552-5474.

The Beef Quality Producer program is a collaborative effort of AgriLife Extension, Texas Beef Council and Texas and Southwestern Cattle Raisers Association.

Funding is provided by Beef Checkoff dollars from the beef council and cattle raisers association, as well as allied industry groups.
