**NOTICE OF RECEIPT OF APPLICATION AND
INTENT TO OBTAIN AIR PERMIT**

**PROPOSED AIR QUALITY PERMIT NUMBER
101072L001**

APPLICATION G&S Lakeside Leasing, LLC,
has applied to the Texas Commission on
Environmental Quality (TCEQ) for issuance
of Air Quality Permit Number 101072L001,
which would authorize construction of a Rock
Crusher. The company provided the following
driving directions: From Amarillo take High-
way 287 towards Clarendon approximately
50 miles to County Road 8. Take County
Road 8 north approximately 2 miles and the
site will be on both sides of the County Road,
Clarendon, Donley County, Texas 79226. This
link to an electronic map of the site or facil-
ity's general location is provided as a public
courtesy and not part of the application or
notice. For exact location, refer to applica-
tion. <http://www.tceq.texas.gov/assets/public/h6610/index.html?at=34.9911&lng=-100.9488&zoom=13&type=1>. The facility will
emit the following contaminants: particulate
matter including particulate matter with diam-
eters of 10 microns or less and 2.5 microns
or less, carbon monoxide, sulfur dioxide, and
organic compounds.

This application was submitted to the TCEQ
on February 8, 2012. The application will be
available for viewing and copying at the TCEQ
central office, the TCEQ Amarillo regional of-
fice, and the Donley County Court House, 300
South Sully, Clarendon, Donley County, Texas,
beginning the first day of publication of this no-
tice. The facility's compliance file, if any exists,
is available for public review in the Amarillo
regional office of the TCEQ.

The executive director has determined the ap-
plication is administratively complete and will
conduct a technical review of the application.

PUBLIC COMMENT/PUBLIC MEETING You
may submit public comments, a request for
a public meeting, or request a contested
case hearing to the Office of the Chief Clerk
at the address below. The TCEQ will consid-
er all public comments in developing a final
decision on the application. The deadline
to submit public comments is 30 days after
newspaper notice is published.

The purpose of a public meeting is to provide
the opportunity to submit comments or ask
questions about the application. A public
meeting about the application will be held if
the executive director determines that there
is a significant degree of public interest in
the application or if requested by a local legisla-
tor. A public meeting is not a contested case
hearing.

If only comments are received on the applica-
tion, the response to comments, along with
notice of the executive director's action on the
application, will be mailed to everyone who
submitted comments or is on the mailing list
for this application.

The executive director will complete the techni-
cal review, issue a preliminary decision on the
application, and a Notice of Application and

LEGAL NOTICES

Preliminary Decision will be published and
mailed to those who are on the mailing list for
this application. That notice will contain the
final deadline for submitting public comments.
If a hearing request is timely filed in Response
to this Notice of Receipt of Application and In-
tent to Obtain Air Permit, the time period for
requesting a contested case hearing will be
extended to thirty days after the mailing of the
executive director's response to comments.

After the final deadline for public comments
following the Notice of Application and Pre-
liminary Decision, the executive director
will consider the comments and prepare a
response to all relevant and material, or sig-
nificant public comments. If comments are
received, the response to comments, along
with the executive director's decision on the
application, will then be mailed to everyone
who submitted public comments or is on a
mailing list for this application.

**OPPORTUNITY FOR A CONTESTED CASE
HEARING** You may request a contested
case hearing. A contested case hearing is a
legal proceeding similar to a civil trial in state
district court. Unless a written request for
a contested case hearing is filed within 30
days from this notice, the executive director
may approve the application. A contested
case hearing will only be granted based on
disputed issues of fact that are relevant and
material to the Commission's decisions on the
application. Further, the Commission will only
grant a hearing on issues raised by you or oth-
ers during the public comment period and not
withdrawn.

A person who may be affected by emissions
of air contaminants from the facility is en-
titled to request a hearing. If requesting a
contested case hearing, you must submit
the following: (1) your name (or for a group
or association, an official representative),
mailing address, daytime phone number,
and fax number, if any; (2) applicant's name
and permit number; (3) the statement "(I/
we) request a contested case hearing"; (4)
a specific description of how you would be
adversely affected by the application and air
emissions from the facility in a way not com-
mon to the general public; (5) the location
and distance of your property relative to the
facility; and (6) a description of how you use
the facility which may be impacted by the
facility. If the request is made by a group or
an association, the one or more members
who have standing to request a hearing and
the interests which the group or association
seeks to protect, must also be identified.
You may also submit your proposed adjust-
ments to the application/permit which
would satisfy your concerns.

Following the close of all applicable comment
and request periods, the executive director will
forward the application and any requests for
contested case hearing to the Commissioners
for their consideration at a scheduled Com-
mission meeting. If a hearing is granted, the
subject of a hearing will be limited to dis-

puted issues of fact relating to relevant and
material quality concerns raised during
the comment period. Issues such as property
values, noise, traffic safety, and zoning are
outside of the Commission's jurisdiction to ad-
dress in this proceeding.

MAILING LIST In addition to submitting pub-
lic comments, you may ask to be placed on a
mailing list to receive future public notices for
this specific application mailed by the Office of
the Chief Clerk by sending a written request to
the Office of the Chief Clerk at the address
below.

AGENCY CONTACTS AND INFORMATION Public
comments and requests must be submitted
either electronically at www.tceq.texas.gov/about/comments.html, or in writing to the
Texas Commission on Environmental Quality,
Office of the Chief Clerk, MC-105, P.O. Box
13087, Austin, Texas 78711-3087. If you com-
municate with the TCEQ electronically, please
