PUBLIC NOTICE

NOTICE OF RATE CHANGE REQUEST

Southwestern Electric Power Company (SWEPCO or Company) publishes this notice that on December 16, 2016, it filed its Petition and Statement of Intent to Change Rates (the Petition) with the Public Utility Commission of Texas (PUC or the Commission) in Docket No. 46449, and with those municipal authorities in its Texas service territory that have original jurisdiction over SWEPCO's electric rates. This notice is being published in accordance with Section 36.103 of the Public Utility Regulatory Act and Commission Procedural Rule 16 Tex. Admin. Code § 22.51(a)(1).

SWEPCO has approximately 184,000 Texas retail customers. All such customers and all classes of customers will be affected by this change.

SWEPCO's request to change its rates is based on the financial results for a 12-month test year ending on June 30, 2016. SWEPCO seeks an overall increase in annual Texas retail base revenues of \$69,031,439. The effect of SWEPCO's proposed rate change would be to increase its adjusted Texas retail test year base revenues by \$105,926,324. However, this figure is offset by a decrease in annualized Transmission Cost Recovery Factor (TCRF) and Distribution Cost Recovery Factor (DCRF) revenues of \$36,894,885 for a net increase of \$69,031,439, an increase of 24.4%, exclusive of fuel revenues. The overall impact of the rate change, considering both fuel and non-fuel revenues, is a 12.7% increase. The impact of the rate change on various customer classes will vary from the overall impact described in this notice, as shown in the table below. In addition, SWEPCO is seeking recovery of \$1,544,270 in rate case expenses incurred in prior dockets, to be amortized over a three year period resulting in an annual amount of \$514,757.

SWEPCO has proposed that its requested rate change become effective 35 days after the filing of the Petition and Statement of Intent. The proposed effective date is subject to suspension and extension by actions that may be taken by the Commission and other regulatory authorities.

SWEPCO is proposing revisions to most tariffs and schedules. In addition, in order to facilitate future TCRF and DCRF filings pursuant to Commission Substantive Rules 25.239 and 25.243, respectively, SWEPCO is requesting that the Commission set the TCRF and DCRF to zero and establish baseline values that will be used to calculate SWEPCO's TCRF and DCRF in future dockets.

Persons with questions or who want more information on SWEPCO's Petition may contact SWEPCO at 428 Travis Street, Shreveport, Louisiana 71101, or call toll-free at (888) 216-3523 during normal business hours. A complete copy of the Petition and related filings is available for inspection at the address listed in the previous sentence.

Persons who wish to intervene in or comment upon these proceedings should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326. Austin, Texas 78711-3326. Further information may also be obtained by calling the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing - and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136. A request for intervention or for further information should refer to Docket No. 46449. Unless otherwise ordered by the presiding officer, motions to intervene will be due 45 days from the date SWEPCO filed its Petition and Statement of Intent with the Commission. The 45th day after SWEPCO filed its application is January 30, 2017.
