PUBLIC NOTICE

PUBLIC NOTICE OF STATEMENT OF INTENT OF GREENLIGHT GAS COMPANY TO INCREASE GAS UTILITY RATES WITHIN ITS INCORPORATED SERVICE AREAS

On February 27, 2017, Greenlight Gas Company (the "Company"), filed a Statement of Intent to Increase Rates ("Statement of Intent") within its Incorporated Service Areas. The Statement of Intent was filed with each regulatory authority having original jurisdiction over the gas utility rates charged by the Company to customers within its incorporated service areas. The proposed change in rates will affect all customers within the incorporated areas of the Cities of Clarendon, Crowell, Dodson, Estelline, Hedley, Lakeview, Memphis, Paducah, and Wellington. The Company proposed that the requested rate changes take effect on April 3, 2017. The proposed effective date is subject to suspension and extension by actions that may be taken by the regulatory authority.

The proposed rates and tariffs are expected to increase the Company's annual revenues by approximately \$139,955, or 4.63% percent including gas cost or 11.62% percent excluding gas cost. Because the proposed changes in rates will increase the total aggregate revenues of the Company by more than two and one half percent, the proposed rate increase constitutes a "major change" in rates as Section 104.101 of the Texas Utilities Code defines "major change". The impact of the rate change on individual customers will vary from the overall impact described in this notice based on customer class and location.

Customer Class	Existing Rate	Proposed Rate	%Change
Residential			
Customer Charge	\$15.00	\$20.00	33%
Usage Rate-Inc	\$0.8878	\$0.4908	-45%
Usage Rate-Crowell	\$3.3078	\$2.9108	-12%
Commercial			
Customer Charge	\$27.50	\$36.70	33%
Usage Rate-Inc	\$0.8878	\$0.4908	-45%
Usage Rate-Crowell	\$3.3078	\$2.9108	-12%

In addition to new rates, the Company also seeks a prudence determination regarding capital investment made within the entirety of the incorporated Service Area through December 31, 2015. The Company also requests to add a Cost of Service Adjustment clause to its tariff whereby limited annual adjustments may be made to gas utility charges within the incorporated service area without the need to file a Statement of Intent pursuant to the Texas Utilities Code. The Company also proposes a surcharge tariff to recover the rate case expenses incurred in these proceedings as authorized by the regulatory authority. The final amount of rate case expenses is not known at this time.

A complete copy of the Company's Statement of Intent is available for inspection in its office located at 116 S 6th St., Memphis, TX 79245. Persons with specific questions or desiring additional information about this filing may contact the Company at (806) 259-1444. Additionally, any affected person may file in writing comments or a protest concerning the proposed change in rates with the regulatory authority having original jurisdiction, your City Council, at any time within 30 days following the date on which the change would or has become effective, or May 3, 2017, whichever date is later.
