PUBLIC NOTICE

THE DONLEY COUNTY HOSPITAL DISTRICT
will hold a Special meeting at 5:30p.m. on
September 19, 2017 at Three Medical Drive
Clarendon, Texas 79226 to consider adopting a
proposed tax rate for tax year 2018. The
proposed tax rate is 0.175054 per \$100 of
value. The proposed tax rate is the same as
2017.

DONLEY COUNTY COMMISSIONERS are
taking sealed bids for the sale of a 1970s
model Hale Stock Trailer. The minimum bid
is \$500.00. Contact Leonard Haynes, County
Extension Agent, to see the trailer. Sealed bids
must be turned into the County Judge's office
in the Courthouse no later than 12 noon on
September 8th. Bids will be opened during the
regular session of Commissioners Court on
Monday, September 11th. Donley County
reserves the right to accept or reject any or all
bids.

**EARLY NOTICE AND PUBLIC HEARING FOR
REVIEW OF A PROPOSED ACTIVITY IN A 100-
YEAR FLOODPLAIN**
August 28, 2017

To: All interested Agencies, Groups and
Individuals

This is to give notice that the City of Clarendon
has determined that the following proposed
action related to a Texas Parks and Wildlife
(TPWD) application is located in the 100-year
floodplain, and the City of Clarendon will be
identifying and evaluating potential impacts
on the floodplain from the proposed action, as
required by Executive Order 11988.
The City of Clarendon has a vacant City lot that
currently sits within a Special Flood Hazard
Area Zone "A" as determined on the FEMA
FIRM Map Number 481584 0001 A, effective
August 19, 1986. The City of Clarendon is
submitting an application to the Texas Parks
and Wildlife Department to request grant
funds to assist in transforming this vacant lot
into a community swimming pool and aquatic
center. The City has conducted elevation
studies on this lot and has determined that
it will be designed and built above the 100
year floodplain. The total size of the project
site and total acres of floodplain involved are
.73 acres.
There are three primary purposes for this
notice. First, people who may be affected by
activities in floodplain and those who have
an interest in the protection of the natural

PUBLIC NOTICE

environment should be given an opportunity
to express their concerns and provide
information about these areas. Commenters
are encouraged to offer alternative sites
outside of the floodplain, alternative methods
to serve the same project purpose, and
methods to minimize and mitigate impacts.
Second, an adequate public notice program
can be an important public educational
tool. The dissemination of information and
request for public comment about floodplains
can facilitate and enhance Federal efforts
to reduce the risks and impacts associated
with the occupancy and modification of these
special areas. Third, as a matter of fairness,
when the Federal government determines it
will participate in actions taking place in
floodplains, it must inform those who may be
put at greater or continued risk.
The City of Clarendon will hold a Public Hearing
at Clarendon City Hall at 6:30 pm on Thursday
September 14, 2017 to consider public input
concerning development in the 100 year
floodplain. Furthermore, written comments
must be received by the City of Clarendon at
the following address on or before September
11, 2017: City of Clarendon, P.O. Box 1089,
Clarendon, Texas 79226 and 806-874-3438,
Attention: David Dockery, City Manager. A
full description of the project may also be
reviewed from 8:00-5:00 p.m. at Clarendon
City Hall, 119 Sully St., Clarendon, TX.
