PUZZLE SOLUTION

LEGAL NOTICE

PUBLIC NOTICE OF APPLICATION OF GREENLIGHT GAS COMPANY TO IMPLEMENT RATE CASE EXPENSE RIDER
On November 30, 2017, Greenlight Gas Company ("the Company"), filed an Application to implement a Rate Case Expense Rider ("Application") within the incorporated service areas of the Cities of Clarendon and Hedley. The Cities of Clarendon and Hedley have original jurisdiction over the gas utility rates charged by the Company to customers within their incorporated areas. The proposed change in rates will affect all customers within the Company's incorporated service areas. The other affected cities (Crowell, Dodson, Estelline, Lakeview, Memphis, Paducah, and Wellington) previously approved the rate case expense rider that is the subject of this Application. The Company proposed that the requested rate change take effect on January 4, 2018. The proposed effective date is subject to suspension by actions that may be taken by the regulatory authority. The proposed rate case expense rider ("Rider RCE") will allow the Company to recover its reasonable rate case expenses incurred in connection with its request for a rate increase that was previously approved by all cities in the Company's incorporated service areas. The proposed Rider RCE would recover rate case expenses with a rate surcharge of \$0.03555 per MCF. Based on an average residential consumption of 4.4 MCF per month, the effect of Rider RCE will be an approximate \$0.15 increase per month for the average residential customer. The rate case expense rider ceases when the full rate case expense has been recovered. The proposed Rider RCE is expected to increase the Company's annual revenues by approximately \$12,500, or 0.4% percent including gas cost or 0.9% percent excluding gas cost. Because the proposed changes in rates will increase the total aggregate revenues of the Company by less than two and one half percent, the proposed rate increase does not constitute a "major change" in rates as Section 104.101 of the Texas Utilities Code defines "major change".

A complete copy of the Company's Application is available for inspection in its office located at 116 S. 6th St., Memphis, TX 79245. Persons with specific questions or desiring additional information about this filing may contact the Company at (806) 259-1444. Additionally, any affected person may file written comments or a protest concerning the proposed change in rates with the regulatory authority having original jurisdiction, your City Council, at any time within 30 days following the date on which the change would or has become effective, or January 4, 2018, whichever date is later.
