Fire Safety! Spread the Word!

In the days of horse-drawn fire carts, Dalmatians did the job of running in front of the horses to clear the path and to guide them to the fire!
Today Dalmatians are mascots of firehouses. Sometimes we help to locate people in fires. We also make good guard dogs, watching over the firehouse and the equipment.

Firefighters rush to the rescue when there is a fire. Did you know that they also work hard to spread the word about fire prevention and safety?

Here are 6 ways that we learn about fire safety:

1. Programs are being developed on _____ that will show fake flames and fire situations to help kids learn how to react if they are ever stuck in a fire.
2. Cartoon _____ like Smokey Bear or Marty, the fire explorer, and Jett, his pet turtle (part of the USFA for kids) teach safety.
3. They are mascots at fire houses; some dogs or other _____ are trained to alert people when there is smoke, or to help find people in fires.
4. Firefighters can send _____ by remote control into dangerous fires to fight them.
5. Firehouses have _____ in which firefighters will visit classrooms to speak

6. _____ travel the country in buses; are set up at schools, malls or fairs.

Family Fire Safety Checklist

- ☐ Only cook in the kitchen when an adult is helping you.
- ☐ Don't touch matches, lighters or candles. They are for adult use only.
- ☐ Do you have smoke detectors on every level of your home? Test them monthly and change the batteries at least once a year.
- ☐ Do you know two or more ways out of the house?
- ☐ Never use elevators if there is a fire (stairs are much safer).
- ☐ Smoke rises. If there is a fire, stay low: crawl under the smoke.
- ☐ Have you picked a place to meet the rest of your family once you are all out of the house?
- ☐ Once you are out of the house, **stay out** of the house.

Share this checklist with your family.
