NOTICE OF A PUBLIC HEARING ON THE ADOPTION OF THE DONLEY COUNTY MULTI-JURISDIC- TIONAL HAZARD MITIGATION PLAN

The Donley County Commissioners Court will
conduct a public hearing before considering
final adoption of the recently completed 2019
Donley County Hazard Mitigation Plan Update
on Monday, January 14, 2019 at 9:00 a.m. in
the Commissioners' Court Chambers of the
Donley County Courthouse located at 300 S.
Sully, Clarendon, Texas. This plan incorporates
mitigation actions intended to minimize the
impacts of certain natural hazards on the resi-
dents of the County.

The Disaster Mitigation Act of 2000, as
amended, requires that local governments,
develop, adopt, and update natural hazard mit-
igation plans in order to receive certain federal
assistance. A Mitigation Action Team ("MAT")
comprised of representatives from Donley
County, the City of Clarendon, Hedley, How-
ardwick, Clarendon ISO and Hedley ISO, was
convened to assess the risks from and vulner-
abilities to natural hazards that are endemic to
the Donley County area, and to make recom-
mendations on mitigating the effects of such
hazards. The original Hazard Mitigation plan
was adopted in 2006 and in order to maintain
its approved status by the Federal Emergency
Management Agency (FEMA), it has to be
updated every five (5) years.

A copy of the Donley County plan update is
now available for review in the Donley County
Judge's office, each City Hall, ISO Superinten-
dent Office or it may be reviewed online at:
<http://theprpc.org/Programs/EmergencyPreparedness/default.html>
The meeting is open to the public and mem-
bers of the community are encouraged to
attend to offer feedback and comment.

...like snow fun in the sun!

Do you know that bears sleep
during the winter? In the fall, we
eat extra food and store up fat, which we live off of while sleeping. We find
a cave or hollow tree, or we dig out a burrow under the ground. Then, we
make a nest of leaves, branches and grass. Our fur keeps us warm. We
usually sleep from October until April, but we sometimes wake up. I know
I should be sleeping, but I love playing in the snow too much to sleep!

Read the clues to fill in this crossword all about "snow!":

- water _____ on the ground, making slippery patches
- snowflakes have more _____ shapes than we can count
- periods of time when Earth is covered in snow and ice
- when falling crystals group together
- water in air condenses around bit of dust, freezes, forms this
- we put these on walkways to keep us safe
- large piles of snow on sides of road
- snow sliding down mountainside
- snowflakes formed in colder and drier air
are usually _____ and leave a fluffy snowfall
- scoop on the front of trucks to help clear the roads
- snow covering the ground is called a _____ of snow
- raindrops hit the earth and instantly freeze, coating items
- amount of snow dropping in a season
- large storm that hits along the upper east coast
- has smooth runners on its underside for snow travel
- 3 globes made of snow placed on top of each other;
face made with carrot nose and charcoal eyes
- hand-held tool for moving snow
- enormous mass of snow and ice that floats in the ocean
- crystals of snowflakes form fascinating _____
- wind-blown pile of snow
