Practice,
practice,

What does the word
art mean to you? Art is
what people do
creatively to share their
view of the world with
other people. Their
expressions may be
shown through painting,
drawing, poetry, dance,
sculpture, acting, music or other art forms.

Music is the art of making sounds. It can be
created by making sounds with your voice or by
playing instruments. You can keep a piece of
music "alive" by writing it down or recording it.

Dance is created by moving the body.
Many of the actions or movements are
repeated. People in all parts of the world enjoy
dance. It is kept in memories and on film. It is
passed on from one person to another.

Art lets us create using materials. Paint,
charcoal, clay, paper and glue are just
a few things you can use to share your
ideas and express your feelings.

Try your hand
at writing a poem,
story or song.

Arts are Alive!
