Celebrating St. Patrick's Day!

It is thought that over the years more than 4.8 million Irish people have made the journey to live in America. About 21,000 Irish people in the U.S. still speak Gaelic, the mother tongue of Ireland, in their homes. Today, about 33 million people in the U.S. proudly claim to have Irish blood in their families. They live in all parts of America and work in every career field.

You don't have to be Irish to enjoy St. Patrick's Day events. **Read the clues to fill in the puzzle with the ways people celebrate:**

- people may wear their family tartan (plaid) or this color to remind them of the Emerald Isle known as Ireland
- banners, bands, floats and even "St. Patrick" himself may march down the street
- looking for little gifts for the special day: shamrock plants, handcrafted Irish jewelry, T-shirts
- an Irish cultural _____ has displays/talks about the history, language, arts of the Irish people
- lessons in Irish _____ will have your family eating well
- may join in some steps to do this; usually the upper part of the body is still while the feet move quickly
- fun _____ and walks; athletes go as fast as they can; families walk; sometimes people dress in costumes
- festivals and band competitions - bands, singers, fiddlers, bagpipers, bodhran drummers, harpists
- a get-together with family and friends to eat, sing, dance
- people gather at these to greet, eat, watch a sports event
