When families plan menus together we can choose our favorite meals. When  
we shop together we can look for the freshest foods – vegetables and fruits  
– and everyone can choose the kinds that he likes the most. By checking  
labels on packages, we can learn which foods have the best ingredients.  
When we cook at home we can adjust our recipes to use  
small amounts of healthful oils, salt or sugar. Some families  
are steaming or baking part of their favorite meals.
