Fire Prevention and Safety!

We are your community's firefighters. We visit schools to talk to students about fire **prevention** and **safety**. We show the special clothing we wear to **protect** us from the smoke and heat of fire. We may look a bit scary, but we are not. We are here to help you.

This is a chart for you to use to talk with your family about fire prevention and safety. Cut it out and hang it on your refrigerator!

Family Fire Safety Checklist

- ☐ Only cook in the **kitchen** when an adult is helping you.
- ☐ Don't touch matches, lighters or candles. They are for **adult** use only.
- ☐ Do you have smoke **detectors** on every level of your home? Test them monthly and change the batteries at least once a year.
- ☐ Do you know **two** or more ways out of the house?
- ☐ Never use elevators (**stairs** are much safer) if there is a fire.
- ☐ Smoke rises, so if there is a fire, stay low: **crawl** under the smoke.
- ☐ Have you picked a place to **meet** the rest of your family once you are all out of the house?
- ☐ Once you are out of the house, **stay out** of the house.

Find the 12 "fire safety" words or phrases in **bold** to the left, then place them into the puzzle!

We're learning to climb to new heights by practicing our duties every day.
