The Birth of Jesus

FROM THE BOOK OF LUKE, CHAPTER 2 – NEW INTERNATIONAL VERSION

In those days Caesar Augustus issued a decree that a census should be taken of the entire Roman world. ² (This was the first census that took place while [a] Quirinius was governor of Syria.) ³ And everyone went to their own town to register.

⁴ So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. ⁵ He went there to register with Mary, who was pledged to be married to him and was expecting a child. ⁶ While they were there, the time came for the baby to be born, ⁷ and she gave birth to her first-born, a son. She wrapped him in cloths and placed him in a manger, because there was no guest room available for them.

⁸ And there were shepherds living out in the fields nearby, keeping watch over their flocks at night. ⁹ An angel of the Lord appeared to them, and the glory of the Lord shone around them, and they were terrified. ¹⁰ But the angel said to them, "Do not be afraid. I bring you good news that will cause great joy for all the people. ¹¹ Today in the town of David a Savior has been born to you; he is the Messiah, the Lord. ¹² This will be a sign to you: You will find a baby wrapped in cloths and lying in a manger."

¹³ Suddenly a great company of the heavenly host appeared with the angel, praising God and saying,

¹⁴ "Glory to God in the highest heaven,
and on earth peace to those on whom his favor rests."

¹⁵ When the angels had left them and gone into heaven, the shepherds said to one another, "Let's go to Bethlehem and see this thing that has happened, which the Lord has told us about."

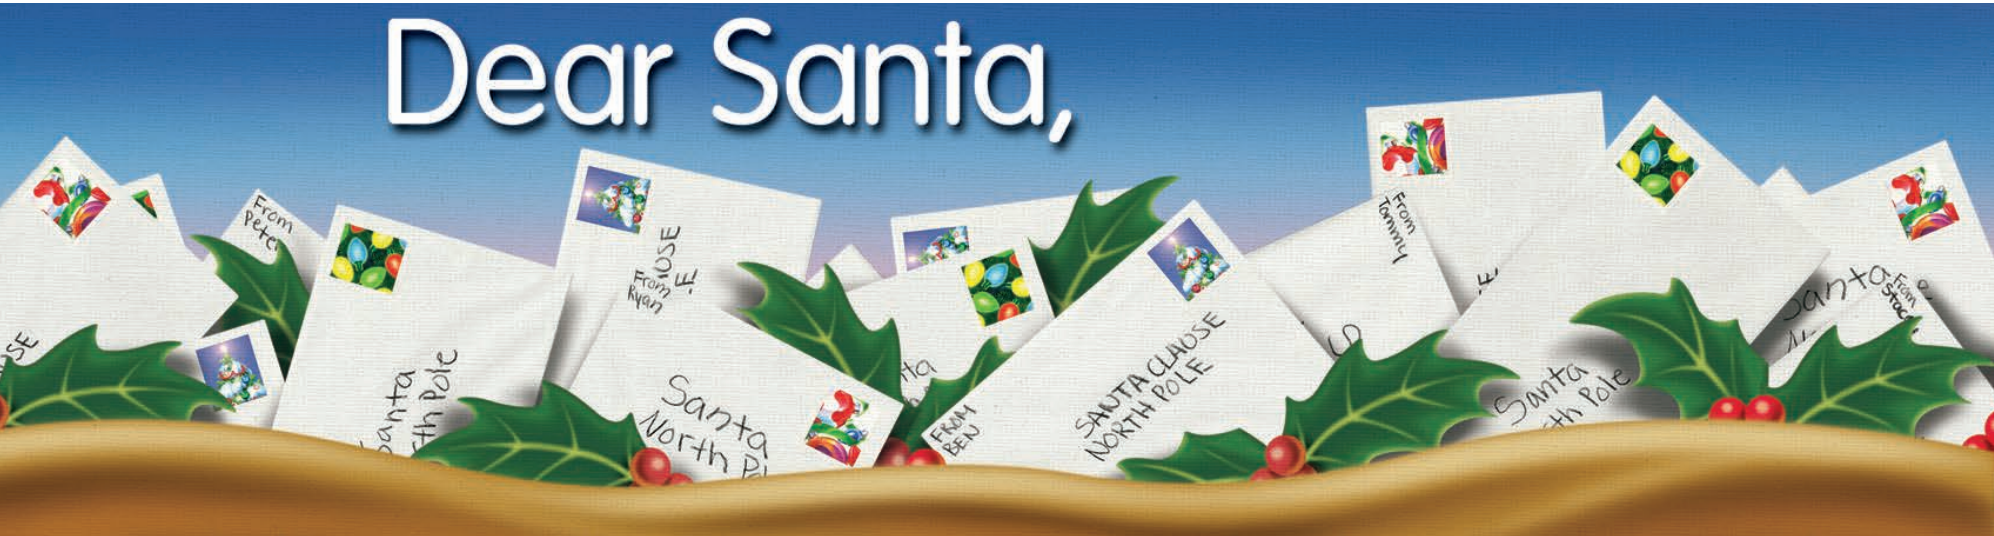

¹⁶ So they hurried off and found Mary and Joseph, and the baby, who was lying in the manger. ¹⁷ When they had seen him, they spread the word concerning what had been told them about this child, ¹⁸ and all who heard it were amazed at what the shepherds said to them. ¹⁹ But Mary treasured up all these things and pondered them in her heart. ²⁰ The shepherds returned, glorifying and praising God for all the things they had heard and seen, which were just as they had been told.

Dear Santa,

My name is Ariana Carreon, I am five years old. I live with my mommy, daddy, and brother. I think I have been nice all year, I share, I try to be nice to my brother (which can be hard, but I love him), I help mom and dad, I sometimes keep my room clean (not really), and I behave well at school. I have my naughty moments, but I am mostly nice. This Christmas I would like a Barbie Dream House. I love to play with my barbies and would love for them to have a big barbie dream house. I know you have a lot of houses to go to so I will be asleep, please wake me so I can give you a hug, say thank

you, and we can eat cookies together.

P.S. I do not have a chimney, please use front door.

Your friend,
Ariana

Dear Santa,

I want to thank you for last year's gift I received from you. I am very grateful. My family is so grateful for this holiday season and all the people who are kind this season. I would like to say you have shown my hope and courage for this holiday season and all of my family. You are a great blessing to everyone even though you have a different name from everyone to people who celebrate different holidays like Hanukkah, and Kwanamz ba and many other holidays that happen around December.

I am not going to ask for much because it's just a blessing to be here in this world. This hobby started about 2 years ago In the summer of 2018/2019 time. This year I would like to receive a cross stitch circle frame and some aida fabric maybe with some string and needles. That will be all this year because this is my new favorite thing to do is cross stitch and sew things. Please bring some candy for the teachers around the world and the parents and they all deserve a break for everything this crazy holiday.

How is quarantine going in the North Pole, hopefully not too bad like it is here. How are the Elves? Good? I hope so. All year I've been mostly good... but I do tease my sister from time to time. Now to get to the good stuff, all I want for Christmas is YOU... just kidding. I only want some things, like 2 Amazon gift cards, three pairs of sweatpants, Marvel Lego sets, Sans plushie and Papyrus plushie, and Minecraft Lego sets. I hope that's not too much for y'all to handle. And remember to stay safe, wear a mask in in the Toy shop and...

I think Pomeranians are cute and I would like one for myself. The last thing I want is shoes. I would like my family to get together for Christmas so we could do something this year like go sledding or ice skating and having fun with family. Sledding is very fun. Every time it snowed, we would go sledding. I have never been ice skating so I would like to try.

The second thing I would like to get I don't really need it but if you can I would love to get a Nintendo switch. Dear Santa,

Hello Santa, how are you, all of the elves and Mrs. Claus??? I bet y'all are great and all of the elves are great, too!! I bet you are working hard this year like all of the other years y'all have!!! So what are all the toys you and the elves are making this year I bet there are a ton of different kinds!!!
So what are you and Mrs. Claus up to this year and how are all of the Reindeer? Is it true that Mrs. Claus can turn stuff like cake into healthy stuff like make them good like tomatoes or something? I have always heard that she can do that!! What is the first elf you ever saw and what was his/hers name??
So what I am hoping to get for Christmas is a VR (virtual reality headset)!! Another thing is if you don't mind we go to a lake during the winter so some fur gloves and socks would be nice and some hand warmers!! The last thing is probably impostible but it would be nice to have a heater in the boat but then you would have to have a cab and something to run it. It just seems a little imposible!!
That is all I need and I hope you and the elves and Mrs. Claus and the reindeer have a very merry Christmas.

These are the things I want but not need. A cat leash for walking my cats. A flashlight, because mine broke. More Dork Diaries, and an art set with canvases. I definitely don't want to be greedy so that's it for my Christmas presents.
