## Fire Safety Matters!

Read the words scattered about this puzzle. Use the letters already placed in the puzzle to help you fit the "fire" words into the puzzle.

Do you know any firefighters? Everyone likes to ask them about their jobs. It's fun to visit the firehouse or have firefighters come and speak at school. They like to talk about preventing fires and display pieces of their fire equipment. Three safety messages that firefighters share with students are:

- Get out of the house quickly if there is a fire.
- Call the fire department from a neighbor's house.
- If your clothes catch on fire, remember to

**STOP, DROP AND ROLL!**

## Family Fire Safety Checklist

- ☐ Only cook in the **kitchen** when an adult is helping you.
- ☐ Don't touch matches, lighters or candles. They are for **adult** use only.
- ☐ Do you have smoke **detectors** on every level of your home? Test them monthly and change the batteries at least once a year.
- ☐ Do you know **two** or more ways out of the house?
- ☐ Never use elevators (**stairs** are much safer) if there is a fire.
- ☐ Smoke rises, so if there is a fire, stay low: **crawl** under the smoke.
- ☐ Have you picked a place to **meet** the rest of your family once you are all out of the house?
- ☐ Once you are out of the house, **stay out** of the house.

Cut out the list and talk with your family about each idea.
