How's it coming along Pinch? Just dandy! What are you looking at? It's my job to *pinch* the crust to keep the

can remember. as anyone were brought Apples to America by the earliest

European settlers. Thousands of different kinds have been grown all over the world. Red Delicious, Golden Delicious, McIntosh, Jonathan and Rome Beauty are some of

the favorites in North America. Apples, including the wild and crab varieties, are used to make many other foods. Fresh apple cider (juice) with a homemade doughnut is a fun fall treat. Do you like hot apple pie or applesauce? Apples are used for decorations and crafts,

and are painted in pictures. People use apples in games. We use apples in our sayings, stories and folktales. One of our legends is about

John Chapman or "Johnny Appleseed." He was an American pioneer who traveled and gave away and planted apple seeds. Hungry yet? See you in the orchard picking apples!

I like the long "i" sound in words. Can you find and circle 8 words in Chatter's talk above that have the long "i" sound in them? **Hint**: two words with the long "i" sound are spelled with a "y."
