...and like to visit new places, too.

Kids: color stuff in!

In 1803, President Thomas Jefferson and Congress wanted to learn about the western part of the country. They gave money to me, Second Lieutenant William Clark and Captain Meriwether Lewis to lead an expedition to the west. Our job was to:

- find a water route to the Pacific Ocean for trading
- map the "new" territory
- learn about the Native Americans we met along the route
- study plants and animals

**Read the clues to fill in the crossword.**

1. President Thomas \_\_\_\_\_, our 3rd President, wanted a group to travel and map the route.
2. \_\_\_\_\_ and Clark became co-commanders of the "Lewis and Clark Expedition."
3. The men prepared for the trip by doing research, buying \_\_\_\_\_ and hiring a keelboat built.
4. In May 1804 they began their \_\_\_\_\_ in a keelboat and two pirogues (flat-bottomed rowboats).
5. The group traveled about 15-20 miles a day. They met fur traders and peaceful \_\_\_\_\_ tribes.
6. In the fall of 1804, to get ready for \_\_\_\_\_, they built Fort Mandan near Indian villages.
7. They added a trapper to be an interpreter. His Shoshone wife, \_\_\_\_\_, pointed out landmarks and helped them talk with the Native Americans they met. She had a baby boy in 1805.
8. In March, when the \_\_\_\_\_ on the river broke, the group split and went in two different directions.
9. They met the Shoshone people, who told them to travel on land and sold them \_\_\_\_\_.
10. As they traveled, the group kept \_\_\_\_\_, logs of the animals, plants and people and made maps.
11. \_\_\_\_\_ became very hard through thick woods and bitter cold and snow. The group was forced to eat three of their horses. They met the Nez Perce Indians who fed them and saved their lives.
12. They traveled on the \_\_\_\_\_, again finding it very rough. They were battered by storms.
13. The group settled in for the winter in \_\_\_\_\_. They built a fort called Fort Clatsop.
14. During the winter, they prepared for their return trip. They got back to \_\_\_\_\_ on Sept. 23, 1806.
15. The group had traveled over 8,000 \_\_\_\_\_ in 28 months through what would become 11 states.

York, who was born enslaved, traveled with Clark. His survival skills like hunting were invaluable.
