Chinese New Year Celebration

In 2022, Chinese New Year starts on February first. It is the **Year of the Tiger**. The tiger is the third sign in the Chinese Zodiac — a circular 12-year calendar with each year represented by an animal. Each animal is the "sign" of people born in that year. It is said that the people born under each animal's sign have the characteristics of that animal. Tigers are very powerful so people who are born in that year might be powerful, too!
