Can You Imagine?

People are always telling me what a good
imagination I have. It's true that I can think
up new inventions that I would like to build,
but so can most people if they give it a try.
Children are not the only ones with good
imaginations. Adults use their imaginations
when they invent gadgets, test new recipe
ideas or tell old stories with a new twist.
It's fun to use our imaginations, but we
also have to learn what is real and what isn't.
I like to see talking cars in cartoons, but I
know that cars don't *really* speak. I think
some people do not like to use their
imaginings because they think it is silly.
What do you think?

Say, "He isn't real!" 5 times
quickly, and
then go on
to circle 5 words
with 3 syllables
in them.

I see the shapes of clouds
and imagine the real-life items
they look like. **Can you find
and circle other amazing
things I like to think about
in the puzzle below?**

dragon unicorn firebird werewolf elf fairy
