When School's Out, Safety's In!

When school is out, you will have to *take care*
of yourself a little more. Make sure that **safety** is
in your day as well as *fun, fun, fun!*
During vacation there is more free time to enjoy,
and there are lots of things you can do outside
every day. Thinking about safety is smart. For
example, protective equipment is a "no-brainer"
when skateboarding and practicing tricks.
I **always** wear a helmet and I don't mind
wearing the knee and elbow pads either.

Read the clues to fill in the safety puzzle:

- Stay in the shallow end of a _____ until you learn to swim.
- Pack picnic food away in the _____ after you
are done eating (help prevent food poisoning).
- Head indoors at the first sign of lightning or thunder when a _____ is coming.
- At the _____, climb on equipment using two hands. On the slide, wait
for the person in front of you to finish sliding before taking your turn.
- Before you have friends over to play outside, ask them if they
have any _____ to bee stings, plants or any foods.
- Offer your _____ water often and don't leave them in the car.
- Wear your _____ when bicycling - plus pads when
riding a scooter or rollerblading.
- Drink plenty of _____ when out in the heat to avoid heat stroke.
- Never leave a burning _____ unattended.
- Before hiking, learn what poisonous _____ such as poison ivy look like.
- At the beach, pay attention to the tides and stay in the view of your _____.
- Where _____ are being used, keep at a safe distance.
