## PUBLIC NOTICE

**THE CITY OF HOWARDWICK** will hold a public hearing at 245 Rick Husband Blvd ( City Hall ) on Tuesday, August 9, 2022 at 6:00pm. The purpose of this meeting is to discuss the 2022-23 Mayors Proposed Budget to be adopted. Regular council meeting to follow hearing.

### (C) STAGE 3 RESPONSE- SEVERE WATER SHORTAGE CONDITIONS

1. Goal: achieve a voluntary 30 percent reduction in total water use, or the daily demand for water.  
2. Supply Management Measures: The water authority would lower the level in all storage tanks to no more than 50% of capacity, thus reducing the pressure on the wholesale water customer's system. This in turn would help conserve an even greater amount of water.  
3. Demand Management Measures: All requirements of Stage 2 shall remain in effect during Stage 3 except:  
(a) The Greenbelt Municipal and Industrial Water Authority will contact wholesale water customers to discuss water supply and demand conditions and will request that wholesale water customers initiate additional voluntary measures to reduce water use, and initiate Stage 3 of the wholesale customer's drought contingency plan.  
(b) The Greenbelt Municipal and Industrial Water Authority will provide a weekly report to news media with information regarding current water supply and demand conditions, projected water supply and demand conditions if drought conditions persist, and consumer information on water conservation measures and practices.  
(c) The City of Clarendon will request that all of its water customers practice water conservation and minimize or discontinue water use for non-essential purposes, with the goal of reducing water usage by 30%. Under threat of penalty for violation, the following water use restrictions shall apply to all persons:  
1. Limit outside watering to twice-a-week, and then before 10:00 am and after 7:00 pm. Residential customers with odd-numbered street addresses water on Wednesdays and Saturdays. Residential customers with even-numbered street addresses water on Thursdays and Sundays. Commercial customers water on Tuesdays and Fridays.  
2. Limit washing of motor vehicles, motorbikes, boats, and other vehicles at home to before 10:00 am or after 7:00 pm on your designated watering day, and then use a bucket and/or a hand-held hose equipped with a shut-off nozzle. Commercial car washes are excepted.  
3. Avoid filling swimming pools except during the above watering hours.  
4. Avoid operating ornamental fountains unless necessary to support aquatic life or if equipped with a recirculation system.  
5. Do not water-wash driveways, sidewalks, and other hard-surfaced areas. Do not wash down buildings or structures except for immediate fire protection.  
6. Repair all leaks as soon as possible, and report any leaks or unauthorized usage to City Hall. Night and weekend emergency leaks should be reported to the Donley County Sheriff's Office at 806.874.3533.

## Dog Days of Summer

Hot, sticky days that make us sweat! Days when nothing seems to be happening...**dog days of summer!**

Dog days are here when the Dog Star, Sirius, appears over the horizon just before sunrise. At one time, people who were superstitious thought Sirius drove dogs mad in the heat of the summer. Sirius shines with a bluish-white light. It is the brightest star in our sky besides our sun. Sirius is in the constellation Canis Major, the Great Dog. Try to keep cool!

### The hottest days of the year are here and...

- \_\_\_\_\_ are tossing and turning, trying to sleep.
- pesky \_\_\_\_\_ are buzzing and biting.
- \_\_\_\_\_ are wilting from lack of rain.
- air conditioners hum and \_\_\_\_\_ whirl.
- garbage and trash \_\_\_\_\_ are smelling bad!
- \_\_\_\_\_ is parched because there is a drought.
- chocolate \_\_\_\_\_ are melting.
- \_\_\_\_\_ is protecting our skin from the sun's rays.
- bicycle \_\_\_\_\_ are sinking into heated tar.
- our \_\_\_\_\_ is running overtime to keep food cold.
- our bare \_\_\_\_\_ are cooling on the green grass.
- our \_\_\_\_\_ is sweating to cool our bodies.

Did you know that dogs don't sweat the way humans do? Although dogs have a few sweat glands, they cool off mainly by panting.

A star is called a "sun" if it is in the center of a solar system.

The **hottest** place in the U.S. is Death Valley (CA, NV). Temperatures there have been recorded above 130 degrees F.

Sorry about the intense heat!

I don't understand why these blisteringly hot days are called the "dog days of summer." I'm so miserable!

Me too!

**Tips to Keep Cool:**  
• drink lots of water  
• visit an air-conditioned library or mall  
• slow down  
• keep shades drawn  
• use fans  
• wear light-colored clothing

Where I live we have hot summers. We are used to the heat, but lately it's been **too hot**. I've been feeling as sick as a dog. **Woof!**
