...when we were younger - and still do!

Kids: color
stuff in!

I'm **Mother Nature** and I love to celebrate
Mother's Day. I make an extra effort to have the
most beautiful flowers pop open right before
the big day - to delight Moms everywhere!
Maybe you can think up a small surprise for
your Mom or Grandmother. Help cook and serve
a fancy breakfast or make a fun card.

On Mother's Day:

- _____ are shared in cards, letters or phone calls.
- we _____ Moms, Grandmothers or even special aunts.
- a _____ may go to church services, on picnics or on walks.
- we may give Mom flowers, a necklace or other small _____.
- we can show we care by making breakfast, framing family
photos or by thinking up other _____.
- the second Sunday in _____, we celebrate all that our Moms mean to us.

Happy Mother's Day
Motherly Sayings

Moms love us, care for us and protect us just
because we are *theirs*. Mothers are so important
that we often use the word "Mother" in our language
to mean a thing that is *like* a "Mother"- the **first** thing
we know, the **beginning** or even the **best** of something.
Match these "Motherly" sayings to their meanings:

- connects all parts of a computer
- spirit of outdoors, takes care of
lands, weather and living things
- idea that, when people need things,
they design something to help; ex.
a washing machine to do laundry
- title given to mother of king
- home to a group of people who
share ways of life; ex. China for the
Chinese people
- main supply; when miners found
gold or silver they would use these
two words to talk about the place
where gold or silver first came from
- the first language someone
learns from birth
- the biggest and best

- Mother lode
- Motherland
- Queen Mother
- Mother Tongue
- Motherboard
- Mother Nature
- Necessity is the
mother of invention
- Mother of all
