A collection of  
**Christmas Wishes**  
from our communities' kids

Dear Santa,  
How are you doing? I bet you are going to get lots of cookies and milk this year. I want a new tablet because my old one barely works or a computer. And I also want a blue eyed pit bull stuffed animal because pit bulls are my favorite. The last thing I want is art stuff because I like doing arts and crafts. It gives me something to do. Cindy Lou and Buddy have been very crazy this year. They are the best elves I can ever imagine having.

Love,  
Paden Lee  
8 years old

Dear Santa,  
How have you been? I have had an amazing year and I hope you have, too. For Christmas this year I would like a CamelBak water backpack. I hope to spend a lot of time outdoors riding my dirtbike and building things. I will leave you some hot milk and cookies by the fireplace.

Sincerely,  
Matthew Newhouse  
11 years old

P.S. I will try to remember to shut off the fireplace before your arrival.

Dear Santa Claus,  
I would like an electric RC John Deere Tractor and a CamelBak water backpack. If you want to leave your sleigh here, I could use it to go fly to the farm and our secret hideout. Once we build our secret hideout, I will write you another letter and tell you all about it. We will make some reindeer food for Rudolph and some bear paw cinnamon bread for you.

Sincerely,  
Monroe Newhouse  
7 years old

This year can you please let people be able to spend time with their families on Christmas, help people get back up on their feet, and help them out with stuff like bills, food and other expenses. All I want for Christmas is to spend time with my family members and not to get into arguments with anyone and for my mom to get better and anyone else with health problems. Bye Santa, talk to you next year.
