Swing Into Spring!

I love the spring! Wind gusts lift kites high into the sky. Sunlight hours are longer so I get to play outside a little later in the day. The temperatures are warmer and many kids only need to wear sweaters or light jackets. Rain showers form puddles and I can slide in the mud!

In early spring, you'll notice many changes.

Read the clues below to fill in the crossword puzzle:

- crocuses, daffodils
- break out of an egg
- lawn "weed" with a bright yellow flower
- _____ grow longer (waking hours)
- color of grass and leaves
- tree frog with a high-pitched chirp
- shrub with soft, gray "flowers" (2 words)
- melts into water
- when you feel heat you feel _____
- beginning stage of leaf
- home that birds build
- clay or dirt mixed with water
- grow shorter (sleeping hours)
- falling drops of water

What do you know about breaking words into syllables? The word "spring" has only one syllable. You can say it without any breaks. Now, say the word "secret." It has two syllables: se • cret. Can you hear them? I really like even bigger words like the word "alphabet." It has three syllables: al • pha • bet.

Can you find and circle 5 words that have 3 or more syllables?

Wow! He's a big frog in a small pond!

Many baby animals are born in springtime.

Spring has sprung! Spring into action, everyone: skateboard, play ball, hopscotch, garden, fly kites, ride bikes, mini-golf - and bring a friend, too!

Buds... hatch bud

What do I know? I'm just a froglet!
