People Making Movies!

Don't you love to watch a good movie? The best place for me to see one is at a drive-in theater. I like the big screen and spilled popcorn!
Read my clues to learn about the work of making movies:

- used to highlight areas of the scene, and create a mood
- used to capture sound of actors and effects
- person who chooses camera lenses and angles for shots
- all music and sound effects used in a film
- make-up _____ works on actors' faces, bodies
- _____ designer chooses actors' clothing
- writes the scripts - dialogue and movements
- used to film scenes from very high in the air
- raises funds, hires staff, makes things run smoothly
- combination of a script and shooting directions
- production _____ runs all sorts of errands for directors
- single recorded try at a scene; done on "first _____"
- metal rigs that hold a camera above the actors

- row of drawings to show how the movie will flow
- person who has complete control of filming
- shot taken a short distance from the actor's face

Oh, yeah, I'm a star!
