Memorial Day is a time for us to remember and share memories of the people who have fought and given up their lives for our country. We remember them when we hold events in their honor, decorate their graves with flowers and watch military jets fly overhead. Memorial Day is also a good time to honor our living veterans. We do this when we listen to them tell stories about their military service or we ask them to lead our parades. We also honor them when we raise funds to meet any special needs they may have when they come home after serving our country. **Read the clues to fill in the holiday puzzle.**
